Interview questions to ask

At some point during the proceedings, the interviewer may ask: "**Do you have any questions?**" It is then over to you, to provide the questions.

Interviewers frequently judge candidates on the nature of the questions that are asked.

1. What are the day-to-day duties involved in this job?
2. How will my performance be measured?
3. How are targets set? How much say would I have in setting them?
4. What do you see as the immediate challenges for me if I were to be given the job?
5. Are you looking for anything in particular from the person who will take this role?
6. How is the department that I would be joining viewed by the rest of the organisation?
7. What challenges is the organisation currently facing?
8. What training and development is given to employees?
9. What opportunities are there for promotion?
